

Follow the directions for each section and use the sources listed to locate the information you need.

To click to the sources without having to type them, go to ihsocial.weebly.com and use the menu to go to 'WC Ch.23 The World Enters the 21st Century' on the World Civ menu.

Write your answers in a Word document. Make sure you:

- Put your Name and date at the top.
- Type "Modern China Webquest" centered beneath the name and date
- Put the title of the section before your answers (Government, Economy, Environment or Media)

You must use complete sentences.

1. Government

- Who has all or most of the power in China?
- What group has the real power and makes decisions?

4. Economy

Write a short paragraph on China's economy that answers these questions:

- How big is China's economy in relation to the rest of the world?
- What are China's top exports (goods it sells to other countries)?
- What are the top imports (goods it buys from other countries).
- Who are China's top trade partners.

Remember to include an introduction sentence in your paragraph.
